

# Join ULI

**ULI Japan's Group Membership package** offers private companies an easy, economically feasible means of registering multiple employees as ULI members and enjoying the numerous benefits available to them.

The Group Membership is strictly a membership package, and is a great way for new companies to begin their ULI membership, as well as for current member companies to organize and consolidate their existing individual memberships.

- ▷ Memberships valid for one year, easily renewable
- ▷ Minimum 5 members (no limit to growth of group)
- ▷ No restrictions in terms of membership categories (any combination of FULL, ASSOCIATE, UNDER-35 permissible)
- ▷ 10% off total membership cost
- ▷ Memberships transferrable during membership period

Instead of individual invoices spread out over the year, your company will receive a master bill, greatly facilitating processing. And all group members have the same entitlements as other ULI members—all while enjoying a 10% discount off standard membership rates!

To register, please complete the reverse side of this form and send via email (ULI.Japan@uli.org) or fax (03-5297-6133), or send us scans of the members' business cards.
